

5-Propargylamino-ddUTP

5-Propargylamino-2',3'-Dideoxy-uridine-5'-triphosphate, sodium salt

Cat. No.	Size
NU-1619-1	1 mg

For *in vitro* use only

Store at -20°C, avoid frequent thawing and freezing.
Short term exposure (up to 1 week cumulative) to ambient temperature possible.

If stored as recommended, Jena Bioscience guarantees optimal performance of this product for 12 months after date of delivery.

Molecular Formula

C₁₂H₁₈N₃O₁₃P₃ (free acid)

Molecular Weight

505.20 (free acid)

Purity

> 95%

Applications

DNA-sequencing^[1]
